IMPORTANT
No More Charge Accounts On Classified Ads

In order to maintain our present low price of 60 cts. for a 4-line classified ad or only $1.20 for three insertions, The Star is obliged to adopt the policy that all orders must be paid for in advance. The time and cost for bookkeeping and mailing out bills makes this necessary.

Business firms with active monthly accounts will be extended the courtesy of charging, however.

The rate will be the same low 60 cts., or 3 times for the price of 2 insertions, but cash must accompany the order. Thank you.
